March 18, 2020

In response to the outbreak of the Coronavirus (COVID-19), all county buildings are now closed to the general public in our efforts to lessen the spread of this virus.

If you have urgent business with our offices, our employees are here and ready to help via phone and email. If you are unsure of what office you need assistance from, please contact the Auditor's Office at 812-352-3016 and they will be happy to assist you.

This change is in compliance with federal, state, and local policies and is being implemented for the well-being of both our employees and the general public. Thank you for your understanding, patience and cooperation during this time.

Updates will be posted on our website at www.jenningscounty-in.gov.
