

Jennings County 911 on NIXLE

*(easiest and most recommended
method)*

Jennings County 911 and Emergency Management provide several methods to the public to receive public safety alerts and National Weather Service Watches and Warnings. Watches and Warnings for Tornados, Severe Thunderstorms, Flooding, and other Severe Weather are sent out automatically.

Occasionally other public safety related information may be posted such as road conditions, road closures, school closings, and other announcements.

There is *no fee* to sign up and text messaging rates as set by your cell phone plan may apply.

We recommend using several methods to stay informed of severe weather including TV/Radio, NOAA Weather Radio, and Outdoor Community Sirens. If you want to be informed there are plenty of methods available. It is also good to update your emergency plans. For help with these plans please visit www.jenningscounty-in.gov/ema.

What follows are instructions to begin receiving emergency alerts from us via text message and/or email.

1. Text **jce911** (no space) to phone number **888777**.
2. You will receive a welcome message from us indicating you have signed up correctly.
3. To stop this service at any time text the word **STOP** to **888777**.

information instantly! Sign
up at Nixle.com today! It's
quick, easy and secure.

4. Residents can also visit www.nixle.com to learn more and create an account if you would like to also receive email alerts or alerts from other areas.

You should be all set to receive weather alerts and other critical public safety alerts on your cell phone! That's it! That's all you have to do!

RECEIVE ALERTS VIA FACEBOOK & TWITTER

If you are a Facebook user please also like us on Facebook to receive our alerts on Facebook as well. You can find us by searching "**Jennings County E911**"

You can also follow us on Twitter by searching for **@jce911**.

All of our alerts are posted to Nixle, Twitter, and Facebook.

Although our Facebook and Twitter pages are good ways to stay informed of severe weather, individuals should also have other means of being alerted to severe weather.

Families should also have a severe weather plan that they practice routinely in the event of severe weather that includes their safe place of shelter.

Thank you for being Storm Ready!
